PURSUANT TO THE USE OF NATURAL	)	CASE NO. 8439
GAS OUTDOOR LIGHTING	)	

O R D E R

On January 4, 1982, the Public Service Commission received the application of The City of Creekside ("Creekside") for a temporary exemption from the prohibition on the continued use of natural gas in existing outdoor lighting under Section 402 of the Federal Industrial Power Plant and Fuel Use Act of 1978.

The Commission, after further consideration of all the evidence of record and being fully advised, is of the opinion and finds that:

(1) Creekside has published the public notice required by 807 KAR 5:036E, Section 5.

(2) Neither Creekside nor any other interested person has requested a hearing pursuant to 807 KAR 5:036E, Section 6.

(3) Proper notice was sent to the natural gas supplier, Louisville Gas and Electric Company, requesting continued gas light service pending this determination.

(4) Creekside has met all other requirements contained in 807 KAR 5:036E and Section 402 of the Power Plant and Industrial Fuel Use Act of 1978 for obtaining an exemption under the regulation.

The Commission, on the basis of the above-stated findings, ORDERS that The City of Creekside, 3112 Carriage Hill Road, Creekside, Kentucky, be and it hereby is granted authority for continued temporary use of the existing natural gas outdoor lighting as specified in the application and supplied by Louisville Gas and Electric Company.

Done at Frankfort, Kentucky, this 8th day of January, 1982.
